

# First United Methodist Church Winter Park

## Report of the Committee on Nominations & Leadership Development

2018

<b>The Functions of Our Church's Administrative Committees</b>	
<b>Leadership Council</b>	<b>Pillar Leaders</b>
The LC is the executive agency of the Charge Conference. Between meetings of the Charge Conference, the LC guides and furthers the ministries of the congregation. The LC envisions, plans, implements, and evaluates the congregation's ministry and mission.	The Pillar Leader guides his or her pillar Ministry Teams through annual budgeting, ministry planning, and ensuring the mission and goals of that pillar are on track and met. They serve as liason between the pillar and the admin teams and between the pillar and the church body
<b>Nominations &amp; Leadership Development</b>	<b>Staff Parish Relations Committee</b>
This committee is involved in the important work of recruiting, training, nurturing, and developing leaders for key leadership positions in the church.	The SPRC administers the relationship between staff, congregation, and the District Superintendent, so that the mission of the church moves forward. The administrative function includes leadership and management. This includes leading the church in God's direction and tending to daily activities so that details are taken care of and strategies are implemented. According to the Book of Discipline, the SPRC is responsible for encouraging, strengthening, nurturing, supporting, and respecting the pastor and staff and their families.
<b>Board of Trustees</b>	<b>Committee on Finance</b>
Care for physical resources & legal matters of the church; Report annually to Charge Conference about the state of the church's property, equipment, investment, & resources. Trustees provide supervision of persons related to this work and will work closely with the SPRC to maintain the parsonage. They prepare an annual budget and present it to Finance.	The Finance Committee nurtures the financial vitality of the congregation. This involves financial transparency, by (a) sharing clear, easy to understand financial reports with members; (b) implementing a strong system of internal controls; and (c) providing for an annual audit of the financial reports. They must think missionally about budgeting, stewardship and financial vitality
