Item Pick Up Process

- Pick up time is on Saturday, February 22 from 2pm-3:30pm
- All tags for non-donated items need to be printed on pastel colored cardstock. This will make sorting easier. For example, if you use all blue pastel cardstock you will be able to spot your items easier. **White tags are only for donated items.**
- Items will be organized by category on the sales floor to the best of our ability, not by consignor number.
- Consignors:
 - Bring a list of your unsold items - printed or electronic
 - Enter through the car circle doors on the side of the gym
 - Check in with one of our sales team members to receive a consignor item pickup badge before you start gathering your items
 - Gather your items from the sales floor
 - Check out your unsold items at the cashier area before loading your car.
 - Sales team will spot check your items for consignor number at this time.
- All items not picked up by 3:30pm will be donated, with no exceptions
