

STEWARDSHIP LETTER

Dear Church Family,

Our church exists to make disciples of Jesus Christ: those who are centering themselves on the love of God and love of neighbor in belief and action!

To accomplish this mission, we need community. Community connects us to our neighbors. In addition, community provides the support, encouragement and accountability we need to faithfully walk in the way of Jesus. This is reflected in our membership vows. When we join the church, we vow to serve Christ in five critical areas.

- **Prayer.** The Bible says the prayers of a righteous person accomplish much.
- **Participating.** Join us each week as we collectively reorient ourselves towards God's love through worship.
- **Pledging.** Our annual plans are based in part on pledges. We understand that things change and may need amendment.
- **Serving.** We need your help in Children's and Student Ministries, Care Ministry, Worship, and much more.
- **Invitation.** Share the Good News of Christ with your neighbor and invite them to join us.

As we reflect upon God's call for our church, please pray about how God calls you to join in our work to make disciples of Jesus Christ! I invite you to read through the information included in this brochure. We want you to feel informed about our church's stewardship. We have also included a pledge card for you to complete. This is a tool to help with our commitment to bless others.

Thank you for the many ways you support our church! Your generosity has allowed us to offer worship online and in person. It has provided the resources for small faith groups to meet, support, and grow together. It has enabled us to provide loving, Christian care to hundreds of children through our preschools. It has allowed us to reach out to our neighbors through our Studio 150 Dance Ministry and Brain Fitness Academy. It has enabled us to support those aging out of foster care and mentor hundreds of young adults in Kenya. Not to mention helping families in their milestone moments through weddings, baptisms, and funerals. These ministries and many others are possible because of your giving. Thank you!

God be with you!
Pastor David
