

Volunteer with Jobs Partnership

Share your experience as a marketplace professional by serving as a LifeWorks Coach, Resume or Interview Coach

As a LifeWorks Coach, you will

Coach a small group of 3-5 adults in a structured & collaborative mentoring environment. Your key task is to encourage and guide your group towards building life skills, expanding their networks and making positive life changes to advance their careers. Attend volunteer training the 2nd Saturday in August to learn how to be a successful coach.

As a Resume Coach, you will

Conduct one-on-one resume consultations with LifeWorks participants to develop and enhance their professional resumes. Appointments are made according to your schedule. This volunteer opportunity is flexible, and takes place over the course of 8 weeks starting the first week in September (fall classes) or March (spring classes).

As an Interview Coach, you will

Conduct two practice interview sessions with the participants enrolled in our LifeWorks training. Help calm participant fears by giving them the opportunity to practice what they have learned in class and provide objective feedback and encouragement in preparation for their job search. This is a one-time opportunity held on a Tuesday and/or Thursday mid-October (fall classes) or late April (spring classes).
