

Volunteer with Jobs Partnership

Share your experience as a marketplace professional by serving as a Life & Work, Resume or Interview Coach

As a **Life & Work Coach**, you will

Support a group of 3-5 participants in developing life skills, expanding networks, and advancing careers. LifeWorks classes meet once a week for 12 weeks in a collaborative environment. Attend volunteer training on Saturday, August 17 to learn how to be a successful coach.

As a **Resume Coach**, you will

Offered in two Saturday sessions, engage in one-on-one virtual resume consultations with LifeWorks participants. Each session includes two one-hour time slots where you'll assist a total of two participants via Zoom. Attend our virtual training, September 7, to learn resume coaching best practices.

As an **Interview Coach**, you will

Conduct two mock interview sessions with LifeWorks participants during week 9 of the training. Offer them a chance to practice what they've learned in class, provide constructive feedback, and boost their job search confidence. This is a one-time opportunity to make a lasting impact.

As a **Special Projects Volunteer**, you will

Participate in the planning, preparation, and execution of our signature events, including Suited for Success, Community Resource Fair, Career & Interview Fair, and Graduation. Ensure the environment is conducive and informative by coordinating resources, equipment, and materials.

Fall 2024 Classes Begin August 27
