Community Partnerships

Our local community partnerships offer ways for all ages to be involved. We partner with Family Promise of Greater Orlando, The Jobs Partnership of Florida, Killarney Elementary School, and Refugee Ministry (formerly Bethany Christian Services). Through these partnerships, we learn and grow together, recognizing the talents of everyone involved.

Family Promise

Through the Congregational Shelter Program, we provide temporary housing for families transitioning out of homelessness. We'll be hosting families at our Winter Park campus from April 27–May 4.

Visit fumcwp.org/familypromise to sign up to serve.

Jobs Partnership

This program offers cohort-based job mentoring through a Christian curriculum, equipping individuals to find and keep meaningful, long-term employment. The next cohort will begin in August.

Killarney Elementary School

As an OCPS Partner in Education with Killarney, we support students, families, and teachers through mentoring, volunteering at family nights, sharing resources and appreciating teachers throughout the school year.

Refugee Ministry

In a partnership that started with Bethany Christian Services, we now independently support refugee families resettling in Central Florida through the U.S. Department of State. Together, we help them feel welcome and connected as they begin life in a new home.

Learn more about these ministries at fumcwp.org/communitypartnerships.
